### Dividend

Your Board has recommended a final dividend for 2021 of 35.5p per ordinary share. Subject to approval by shareholders, the dividend will be paid on 7 June 2022 to shareholders appearing on the Register of Members at the close of business on 29 April 2022. The Euro equivalent of the final dividend for 2021 will be announced on 23 May 2022.

Shareholders appearing on the Register of Members or holding their shares through CREST continue to receive their dividends in Pounds Sterling but have the option to elect to receive their dividends in Euro. Shareholders who hold RELX PLC shares through Euroclear Nederland (via banks and brokers)

automatically receive their dividends in Euro, but have the option to elect to receive their dividends in Pounds Sterling. Details of how to make dividend currency elections are set out on page 204 of the 2021 Annual Report and on our website [www.relx.com](http://www.relx.com). The Company will operate Dividend Reinvestment Plans for the 2021 final dividend. Further information concerning these appears on pages 202 and 204 of the 2021 Annual Report.

### Re-election of Directors

Having served on the Board for over nine years, Linda Sanford will not be seeking re-election to the Board at this year's AGM. On behalf of the Board, I would like to thank Linda for her considerable contribution to RELX and she leaves the Company with our very best wishes for the future.

Dr Wolfhart Hauser, Senior Independent Director and Remuneration Committee Chair, will have served nine years on the Board by the date of the AGM. As a result, the Board carried out a robust assessment with regards to Dr Wolfhart Hauser and the assessment concluded that he continues to make valuable contributions to the Board, he continues to constructively challenge management and other members of the Board as appropriate, and there were no circumstances impairing the independence of Dr Wolfhart Hauser. As a result, Dr Wolfhart Hauser has agreed to remain on the Board until the conclusion of the Company's 2023 AGM. This will allow for an orderly succession to the roles of Senior Independent Director and Remuneration Committee Chair, roles currently undertaken by him, and is in the best long-term interests of the Company and its shareholders.

All Directors other than Ms Sanford will retire from the Board at the AGM and, being eligible, offer themselves for re-election. Your Board recommends their re-election, as put forward for shareholder approval by resolutions 6 to 15. The skills and experience that each Director brings to the Board can be found on pages 8 to 10.

### Recommendation

Your Board considers that all the proposed resolutions set out in the Notice are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of all the resolutions set out on pages 3 to 5, as each of the Directors intends to do in respect of their own shareholdings.

### Voting Procedures

If you would like to vote on the resolutions in the Notice, but will not attend the AGM, please refer to the information concerning the appointment of a proxy as set out on page 11. All resolutions proposed at the meeting will be decided by poll in accordance with current recommended best practice.

Yours faithfully

**Paul Walker**

# Notice of Annual General Meeting

To be held on Thursday, 21 April 2022 at 9.30 am

**17.** That, subject to the passing of resolution 16 in the Notice of AGM of the Company convened for 21 April 2022 and in place of all existing powers, the Directors are empowered pursuant to Section 570 and Section 573 of the Companies Act 2006 (the "Act") to allot equity securities (as defined in the Act) for cash, pursuant to the authority conferred by resolution 16 in the Notice of AGM of the Company convened for 21 April 2022 as if Section 561(1) of the Act did not apply to the allotment. This power:

- (a) expires (unless previously renewed, varied or revoked by the Company in general meeting) at the end of the next AGM of the Company after the date on which this resolution is passed, (or, if earlier, at the close of business on 21 July 2023), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the Directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and
- (b) shall be limited to the allotment of equity securities in connection with an offer of equity securities (but in the case of the authority granted under resolution 16(a)(i)(B), by way of a rights issue only):
  - i) to the ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings; and
  - ii) to people who hold other equity securities, if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities,

and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and

- (c) in the case of the authority granted under resolution 16(a) (i)(A), shall be limited to the allotment (otherwise than pursuant to paragraph (b)) of equity securities for cash up to an aggregate nominal amount of £13.9 million.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of Section 560(3) of the Act as if in the first paragraph of this resolution the words "pursuant to the authority conferred by resolution 16 in the Notice of AGM of the Company convened for 21 April 2022" were omitted.

**18.** That, subject to the passing of resolution 16 in the Notice of AGM of the Company convened for 21 April 2022 and in addition to any power given to them pursuant to resolution 17 in the Notice of AGM of the Company convened for 21 April 2022, the directors are empowered pursuant to Section 570 and Section 573 of the Companies Act 2006 (the "Act") to allot equity securities (as defined in the Act) for cash, pursuant to the authority conferred by resolution 16 in the Notice of AGM of the Company convened for 21 April 2022 as if Section 561(1) of the Act did not apply to the allotment. This power:

- (a) expires (unless previously renewed, varied or revoked by the Company in general meeting) at the end of the next AGM of the Company after the date on which this resolution is passed (or, if earlier, at the close of business on 21 July 2023), but the Company may make an offer or agreement which would or might require equity securities to be allotted after expiry of this power and the Directors may allot equity securities in pursuance of that offer or agreement as if this power had not expired; and
- (b) in the case of the authority granted under resolution 16(a) (i)(A) shall be limited to the allotment of equity securities for cash up to an aggregate nominal amount of £13.9 million and provided that the allotment is for the purposes of financing (or refinancing, if the power is used within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-emption Group prior to the date of the Notice of AGM of the Company convened for 21 April 2022.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of Section 560(3) of the Act as if in the first paragraph of this resolution the words "pursuant to the authority conferred by resolution 16 in the Notice of AGM of the Company convened for 21 April 2022" were omitted.

19. That the Company is generally and unconditionally authorised to make market purchases (within the meaning of section 693(4) of the Companies Act 2006) of its ordinary shares of 14<sup>51</sup>/<sub>116</sub>p nominal value each in the capital of the Company, such authority to apply until the conclusion of the next AGM of the Company (or, if earlier, until the close of business on 21 July 2023) except in relation to the purchase of ordinary shares the contract for which was concluded before such date and which is executed wholly or partly after such date, unless such authority is renewed prior to such time provided that this authority shall be limited so that:
- (a) the maximum aggregate number of ordinary shares hereby authorised to be purchased is 198.5 million;
  - (b) the minimum price (exclusive of expenses) which may be paid for each ordinary share is its nominal value; and
  - (c) the maximum price (exclusive of expenses) which may be paid for each ordinary share is the higher of:
    - (i) an amount equal to 105% of the average of the middle market quotations for an ordinary share of the Company, as derived from the London Stock Exchange Daily Official List, for the five business days immediately preceding the day on which the ordinary share is contracted to be purchased; and
    - (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the current highest independent bid for an ordinary share as derived from the London Stock Exchange Trading System.
20. That a general meeting of the Company, other than an AGM, may be called on not less than 14 clear days' notice.

By order of the Board

# Explanation of business

To be proposed at the 2022 Annual General Meeting (“AGM”)

## **Resolution 1 – The 2021 Annual Report**

The Directors must present the accounts, together with the reports of the Directors and the Company’s auditors for the year ended 31 December 2021, to shareholders at the AGM. These are contained within the 2021 Annual Report, hard copies of which have been sent to those shareholders who have elected to receive it, and which is available online at [www.relx.com](http://www.relx.com).

## **Resolution 2 – Annual Remuneration Report**

In compliance with applicable legislation, shareholders will be invited to approve the Annual Remuneration Report. The vote on the Annual Remuneration Report is advisory.

The Annual Remuneration Report is contained in the 2021 Annual Report on pages 102 to 114. It gives details of the Directors’ remuneration for the year ended 31 December 2021 and how the applicable Policy will be implemented in 2022.

The Company’s auditors, Ernst & Young LLP, have audited those parts of the Annual Remuneration Report which are required to be audited by law.

## **Resolution 3 – Declaration of 2021 final dividend**

A final dividend can only be paid after the shareholders at a general meeting have approved it. If approved, the final dividend of 35.5p per ordinary share will be paid on 7 June 2022 to shareholders on the Register of Members at the close of business on 29 April 2022.

## **Resolutions 4 and 5 – Re-appointment of auditors and auditors’ remuneration**

The auditors of the Company must be re-appointed at each general meeting at which accounts are laid. On the recommendation of the Audit Committee, the Board proposes the re-appointment of the Company’s existing auditors, Ernst & Young LLP. If resolution 4 is approved, Ernst & Young LLP will be re-appointed until the conclusion of the next general meeting of the Company at which accounts are laid. Resolution 5 seeks authority for the Audit Committee, on behalf of the Board, to determine the auditors’ remuneration.

## **Resolutions 6 to 15 – Re-election of directors**

Resolutions 6 to 15 relate to those directors who are seeking re-election in accordance with the Company’s Articles of Association and the annual re-election provisions of the UK Corporate Governance Code.

Based on the results of an internally facilitated Board evaluation carried out during 2021, the Nominations Committee believes that the contribution and performance of each director seeking re-election at the AGM continues to be effective, and that they each demonstrate commitment to their respective roles.

The Nominations Committee believes that all of the non-executive directors seeking re-election are independent in character and judgement and there are no relationships or circumstances likely to affect their independence or judgement. Accordingly, the Board recommends the re-election of each director seeking re-election by resolutions 6 to 15. Biographies for each of the directors seeking re-election can be found on pages 8 to 10 of this document.

## **Resolution 16 – Authority to allot shares**

Resolution 16 seeks to renew a similar authority approved by shareholders at the 2021 AGM. The Company’s Directors may only allot shares or grant rights to subscribe for, or convert any security into, shares if authorised to do so by shareholders. The authority conferred on the Directors at last year’s AGM under Section 551 of the Companies Act 2006 (the “Act”) to allot shares expires on the date of the forthcoming AGM. Accordingly, this resolution seeks a new authority under Section 551 of the Act to authorise the Directors to allot shares in the Company or grant rights to subscribe for, or convert any security into, shares in the Company and, if approved, will expire at the conclusion of the next AGM of the Company (or, if earlier, the close of business on 21 July 2023).

Paragraph (A) of resolution 16 (a)(i) will, if passed, authorise the Directors to allot shares or grant rights to subscribe for, or to convert any security into, such shares in the Company up to a maximum aggregate nominal amount of £93.1 million. This amount represents approximately 33.3% of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 10 February 2022 (being the latest practicable date prior to publication of the Notice of Annual General Meeting (the “Notice”). Paragraph (B) of resolution 16(a)(i) authorises the Directors to allot, including the shares referred to in (A), further of the Company’s unissued shares up to an aggregate nominal amount of £186.2 million in connection with a pre-emptive offer to existing shareholders by way of a rights issue (with exclusions to deal with fractional entitlements to shares and overseas shareholders to whom the rights issue cannot be made due to legal and practical problems). This amount represents approximately 66.6% of the Company’s existing issued ordinary share capital (excluding treasury shares) as at 10 February 2022.

The proposals contained in resolution 16 are in accordance with the current institutional guidelines published by the Investment Association. Although at present the Directors have no intention of exercising this authority, it is considered prudent to maintain the flexibility that it provides.

The Company held 50,231,769 treasury shares as at 10 February 2022. This amount represented 2.59% of the Company’s issued ordinary share capital (excluding treasury shares) as at that date.

## **Resolutions 17 and 18 – Disapplication of pre-emption rights**

Under Section 561(1) of the Act, if the Directors wish to allot ordinary shares, or grant rights to subscribe for, or convert securities into, ordinary shares, or sell treasury shares for cash they must first offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors need the flexibility to finance business opportunities by allotting shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first given a limited waiver of their pre-emption rights.

Resolutions 17 and 18 ask shareholders to grant this limited waiver. The resolutions will be proposed as special resolutions.

Resolution 17 asks shareholders to waive their pre-emption rights and, apart from rights issues or any other pre-emptive offer concerning equity securities, the power contained in this resolution will be limited to the allotment of shares for cash up to an aggregate nominal value of £13.9 million (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents approximately 5% of the Company's issued ordinary share capital as at 10 February 2022 (the latest practicable date before the publication of the Notice), excluding treasury shares.

The waiver sought in resolution 18 is in addition to the waiver proposed by resolution 17. It is limited to the allotment of shares for cash up to an aggregate nominal value of £13.9 million (which includes the sale on a non-pre-emptive basis of any shares held in treasury), which represents approximately a further 5% of the Company's issued ordinary share capital as at 10 February 2022 (the latest practicable date before the publication of the Notice), excluding treasury shares. This further waiver may only be used for an allotment of shares for cash for the purposes of financing (or refinancing, if the waiver is used within six months of the original transaction) a transaction which the directors determine to be an acquisition or other specified capital investment of a kind contemplated by the Pre-emption Group's Statement of Principles.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles, and not to allot shares for cash on a non-pre-emptive basis pursuant to the power in resolution 17:

- (a) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company excluding treasury shares; or
- (b) save in connection with an acquisition or specified capital investment (as described above), in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company excluding treasury shares within a rolling three-year period, without prior consultation with shareholders.

If approved, the authority contained in resolutions 17 and 18 will expire at the conclusion of the next AGM of the Company (or, if earlier, the close of business on 21 July 2023).

#### **Resolution 19 – Authority to purchase own shares**

This resolution also seeks to renew a similar authority granted by shareholders at the 2021 AGM. Resolution 19 authorises the Company to make market purchases of its own ordinary shares as permitted by the Act. The authority limits the number of shares that could be purchased to a maximum of 198.5 million (representing approximately 10% of the issued share capital of the Company as at 10 February 2022) and sets minimum and maximum prices. The authority will be used only in circumstances where the Directors, after careful consideration, believe that such a purchase would result in an expected increase in adjusted earnings per share and would be in the best interests of the Company and of its shareholders as a whole.

Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange. Any shares purchased under this authority may either be cancelled or held as treasury shares. Treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the RELX Group plc employee share plans. To the extent that any shares purchased are held in treasury, earnings per share would only be increased on a temporary basis until such time as the shares are resold out of treasury. As at 10 February 2022, the Company had purchased 144,090 ordinary shares under the authority granted by shareholders at the 2021 AGM.

RELX announced on 10 February that it intends to deploy a total of £500 million on buybacks of RELX PLC ordinary shares during 2022. It is the Company's current intention that any shares repurchased under this authority will be held in treasury. Any purchases to be made after the expiry of this authority granted by shareholders at the 2021 Annual General Meeting will be made subject to shareholder approval of resolution 19.

The total number of share options outstanding as at 10 February 2022 was 12.1 million. This figure represents 0.62% of the issued ordinary share capital of the Company (excluding treasury shares) at that date. If the Company repurchased the maximum number of shares permitted pursuant to resolution 19, the total number of share options outstanding as at 10 February 2022 would represent 0.69% of the issued share capital of the Company (excluding treasury shares). If approved, the authority contained in resolution 19 will expire at the conclusion of the next AGM of the Company (or, if earlier, the close of business on 21 July 2023).

#### **Resolution 20 – Notice period for general meetings**

The Company's Articles of Association provide that the notice period for a general meeting of shareholders (other than an AGM) shall (subject to the provisions of the Act) be at least 14 clear days. Under the Act, the notice period for general meetings of a Company has been extended to at least 21 clear days, but with the ability for companies to reduce this period to not less than 14 clear days (other than for an AGM) provided that certain conditions are met. The first condition, which the Company already meets, is that there is a facility, offered by the Company and accessible to all shareholders, to appoint proxies by means of a website. The second condition is that the Company submits a resolution to shareholders seeking approval to reduce the notice period from at least 21 clear days to not less than 14 clear days. Resolution 20 seeks such approval.

It is intended that the shorter notice period would not be used as a matter of routine for general meetings of shareholders, but only where the Directors believe that the business of a particular meeting merited a 14 clear days' notice period and it was considered to be to the advantage of shareholders as a whole. If approved by shareholders, the authority contained in resolution 20 will apply until the conclusion of the next AGM of the Company.

# Notes to the Notice of Meeting

## Registered shareholders and shareholders holding their shares through CREST (“members”)

### Proxy appointment

1. Shareholders will be permitted to attend this year’s AGM if they adhere to the health and safety protocols put in place by the Company in response to Covid-19. You may appoint another person as your duly appointed proxy; however, please bear in mind that if restrictions on public gatherings are reintroduced, your proxy may not be permitted to attend the Meeting and therefore would not be able to vote your shares. We therefore strongly encourage you to appoint the Chair as your proxy to vote your shares as you instruct. Members entitled to attend and vote at the AGM are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and to vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy may only be appointed:
  - (i) by completion and return of the Proxy Form enclosed with the Notice;
  - (ii) online at [www.relx.com/vote](http://www.relx.com/vote). You will need your personal Voting ID, Task ID and Shareholder Reference Number shown on your Proxy Form; or
  - (iii) via the CREST electronic proxy appointment service, as described in paragraphs 9-12 below.
2. To be valid, any completed Proxy Form must be returned and any online or electronic proxy appointment must be transmitted so as to be received by the Company’s Registrar no later than 9.30 am on Tuesday 19 April 2022 (or no later than two business days before the time appointed for any adjourned meeting).
3. The return of a completed Proxy Form, other such instrument or any CREST Proxy Instruction (as described in paragraphs 9-12 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.

### Nominated persons

4. Any person to whom the Notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a “Nominated Person”) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
5. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 1 and 3 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

### Corporate representatives

6. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that if two or more representatives purport to vote in respect of the same shares:
  - if they purport to exercise the power in the same way as each other, the power is treated as exercised in that way; and
  - in other cases, the power is treated as not exercised.

### Right to vote at the AGM

7. To be entitled to vote at the AGM (and for the purpose of the determination by the Company of the votes that may be cast), shareholders must be registered in the Registers of Members of the Company at 6.30 pm on 19 April 2022 (or if the meeting is adjourned, in the Register of Members at 6.30 pm two business days before the date of any adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the AGM.

### Total voting rights

8. As at 10 February 2022 (being the latest practicable date prior to the publication of the Notice) the Company’s issued share capital (excluding treasury shares) consisted of 1,934,914,267 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 10 February 2022 were 1,934,914,267.

### CREST members

9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual ([www.euroclear.com](http://www.euroclear.com)). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (CREST ID RA19) no later than 9.30 am on Tuesday 19 April 2022 (or no later than two business days before the time appointed for any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

#### **Members' requests under Section 527 of the Companies Act 2006**

13. Under Section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish a statement on a website setting out any matter relating to:

- (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the AGM; or
- (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the last AGM.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.

#### **Members' resolutions and matters under Sections 338 and 338A of the Companies Act 2006**

14. Under Sections 338 and 338A of the Companies Act 2006, members meeting the threshold requirements in those sections have the right to require the Company:

- (i) to give, to members of the Company entitled to receive notice of the meeting, notice of a resolution to be moved at the meeting; and/or
- (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective, (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 9 March 2022, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.

#### **Attendance at the AGM**

15. Any member attending the AGM has the right to ask questions and the Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:

- (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
- (ii) the answer has already been given on a website in the form of an answer to a question; or
- (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

16. For those shareholders receiving paper copies, a Registration Form is attached to the Proxy Form enclosed with this Notice. Please bring the Registration Form with you to help facilitate your admission to the meeting. The AGM will start at 9.30 am and registration will be available from 8.45 am. Please arrive by 9.15 am to allow time for registration.

17. For the safety and comfort of those attending the AGM, security measures will be in place at the meeting. Certain items will not be permitted in the meeting. These include cameras, recording equipment, and items of any nature with potential to cause disorder and such other items as the chairman of the meeting may specify. Mobile telephones must be switched off during the meeting.

#### **Availability of documents and other information**

18. A copy of this Notice, and other information required by Section 311A of the Companies Act 2006, can be found at [www.relx.com](http://www.relx.com).

19. Copies of the following documents will be available for inspection at the registered office of the Company during normal business hours until the date of the AGM, and at the place of the meeting from at least 15 minutes prior to the meeting until its conclusion:

- Executive directors' service contracts; and

20. So that appropriate arrangements can be made for shareholders wanting to inspect documents, we request that shareholders contact the RELX Company Secretariat Department by email ([at Company.Secretariat@relx.com](mailto:Company.Secretariat@relx.com)) in advance of any visit to ensure that access can be arranged. Any such access will be subject to the Company's health and safety requirements, and any other measures imposed by the UK Government at the time.

21. You may not use any electronic address provided either in the Notice or any related documents (including the AGM Proxy Form) to communicate with the Company for any purposes other than those expressly stated.

#### **Voting results**

22. The results of the voting at the AGM will be announced through a Regulatory Information Service and will appear on the Company's website ([www.relx.com](http://www.relx.com)) following the conclusion of the AGM.

#### **Shareholders holding their shares through Euroclear Nederland (via banks or brokers)**

23. Shareholders holding their shares through Nederlands Centraal Instituut voor Giraal Effectenverkeer BV ('Euroclear Nederland') via banks and brokers are not included in the Company's Register of Members – such shares are included in the Register of Members under the name of Euroclear Nederland. If shareholders who hold their shares through Euroclear Nederland wish to:

- (i) attend the AGM; or
- (ii) appoint a proxy to attend, speak and vote on their behalf; or
- (iii) give voting instructions without attending the AGM,

they must instruct Euroclear Nederland accordingly. To do this, shareholders are advised to contact their bank or broker as soon as possible and advise them which of the three options they prefer. Alternatively, shareholders can choose such options electronically by accessing the website [www.abnamro.com/evoting](http://www.abnamro.com/evoting) and following the instructions. In all cases the validity of the instruction will be conditional upon ownership of the shares at no later than 8.30am (CET) on 19 April 2022. Any instructions, whether by hard copy or by electronic means, must be received by this time. Shareholders holding their shares through Euroclear Nederland and who indicate they wish to attend the AGM will not receive an admittance card. They will be asked to identify themselves at the AGM using a valid passport, identity card or driving licence. With regards to overseas shareholders, please pay particular attention to Covid-19 rules in place at the time before travelling.
